## We Plan, You Plant

### How do we begin?

1. Fill out the following questions.
2. Create a scaled drawing of the site you wish to enhance.  
Please include photos of the project area.  
Email pictures to [info@heritagecountrygardens.com](mailto:info@heritagecountrygardens.com)
3. Drop off your complete brochure and the \$100. fee at the location closest to you.
4. Our designer will be in touch to ensure that she has all the information needed to complete your design.
5. Our designer will contact you when your drawing is completed and schedule an appointment to discuss the design.
6. With your completed design you will receive a Plant Care Package and a discount coupon towards your purchase of plant material and garden accents to complete your design.
